SUPPORTING MAUI COUNTY CHARITY WALK

We are pleased to announce that our charity golf tournament successfully raised \$8,000 in support of the Maui County Charity Walk. We extend our heartfelt gratitude to all participants, sponsors, and supporters who made this achievement possible.

The Maui County Charity Walk is an annual fundraising event hosted by the Maui Hotel & Lodging Association that supports local non-profit organizations. Since 1980, this 2.5-mile walk has become Hawai'i's largest single-day charitable event, bringing together community members across Maui, Moloka'i, and Lāna'i.

The event has raised a cumulative total of \$19.2 million over its history, and funds directly support a wide range of local charities, including health agencies, educational programs, community services, and housing support groups. Each May, participants walk together, embodying the spirit of aloha and collective support, making a meaningful difference in the lives of local residents through their collective generosity.
